RE: Application of Carolina Water Service, Inc.; Docket No. 2007-280-S

Dear Mr. Terreni:

I am writing to express the Town's position on the Carolina Water Service request to serve the Kingston Plantation development. At this time the Town supports the application for service to the *subdivision only*, pursuant to the agreement between the Town and CWS entered into at the Town's discretion. The Town respectfully requests that the application be approved, and that the parties not be exposed to the delay which will be occasioned by a hearing on a matter where no person with standing to oppose it has objected to same.

I would appreciate your bringing this letter to the Commission's attention at the meeting tomorrow.

Sincerely,

James Duckett, Administrator
Town of Lexington
